

## **BC Branch Resignation**

Alan May has retired from active duty with CABP after 18 years of outstanding service to the organization and to countless individual frozen pensioners in BC. Alan was Vice President of the BC Branch with special responsibility for Vancouver Island and the Gulf Islands for 15 years. He brought Island membership from zero to over 1000 during his watch, using warmth, humour and an innate flair for publicity to do so. He also served as a National Director.

Our deep gratitude goes to Alan and his wife, Ruby, for their hard work, dedication and commitment. We wish them every joy in the years ahead – and success with Alan's other campaign: convincing Veterans Affairs that his wartime service in the Merchant Navy was under the orders of the Royal Navy and therefore he too is a veteran.
